WELCOME TO KU KOO CH KU FARM

Ku-Koo-Ch-Ku Poultry Farm is one of the leading "Contract Broiler farming company" in Maharashtra. It is a fully integrated company with operations of Breeder Farming, Hatchery, Feed Mill, Quality Control Laboratory, Contract Broiler Farming, poultry processing plant and Marketing live birds & fresh chilled chicken.

Starting with the modest beginning in 1987 as an open broiler farmer on small-scale basis at Mapgaon near Alibag, Raigad, It entered into contract broiler farming with vertical integration in 2006 and has undergone phenomenal growth since then. The company is continuously evolving, growing and expanding the areas of operation.

Our Inspiration

"MAKE IN INDIA" By making all products in India we build nation healthy.

Our Mission

"DEAL WITH US, PROGRESS WITH US"

Our company believes in working together with Business Partners through our shared values, creating natural bonds and building relationships. It is said "UNITY IS A STRENGTH", and this belief lies at the core of our company, by working together, both become stronger to establish the organisations.

Our Aim

"Healthy Broiler, Wealthy Farmer."

To train the farmer by updating their knowledge about poultry management by adopting new technologies. Therefore by growing healthy broiler, farmer fetches stable and assured income.

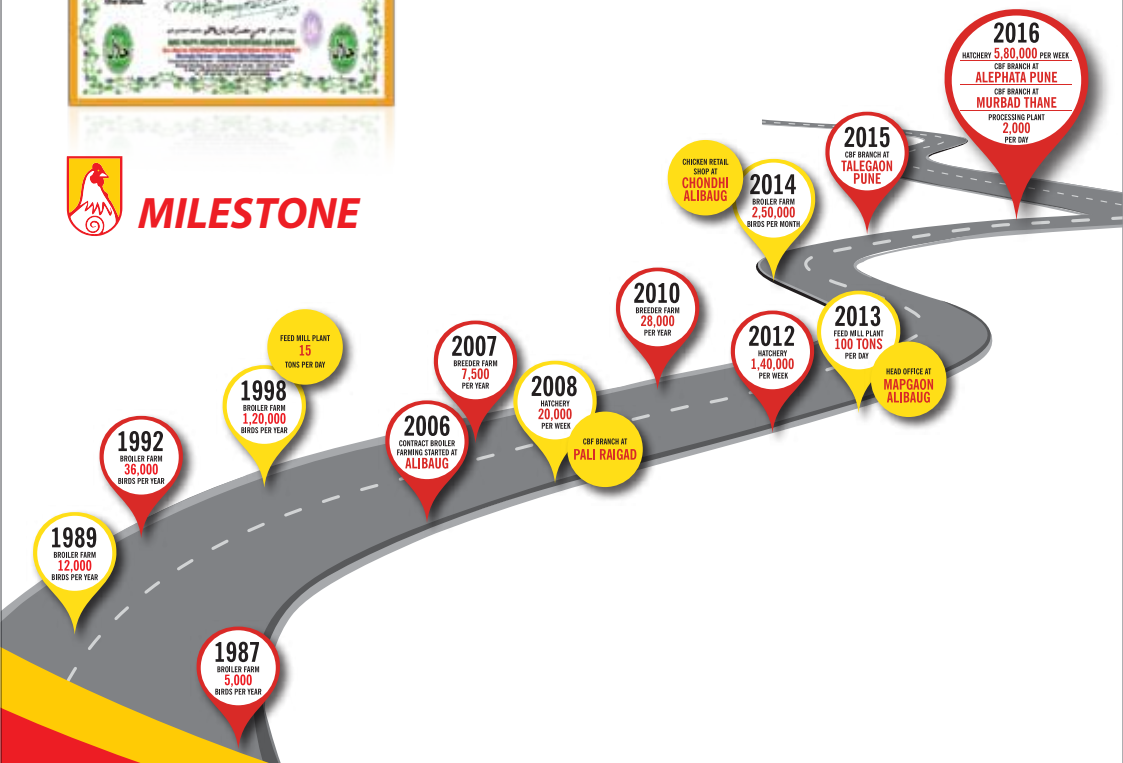

CERTIFICATES

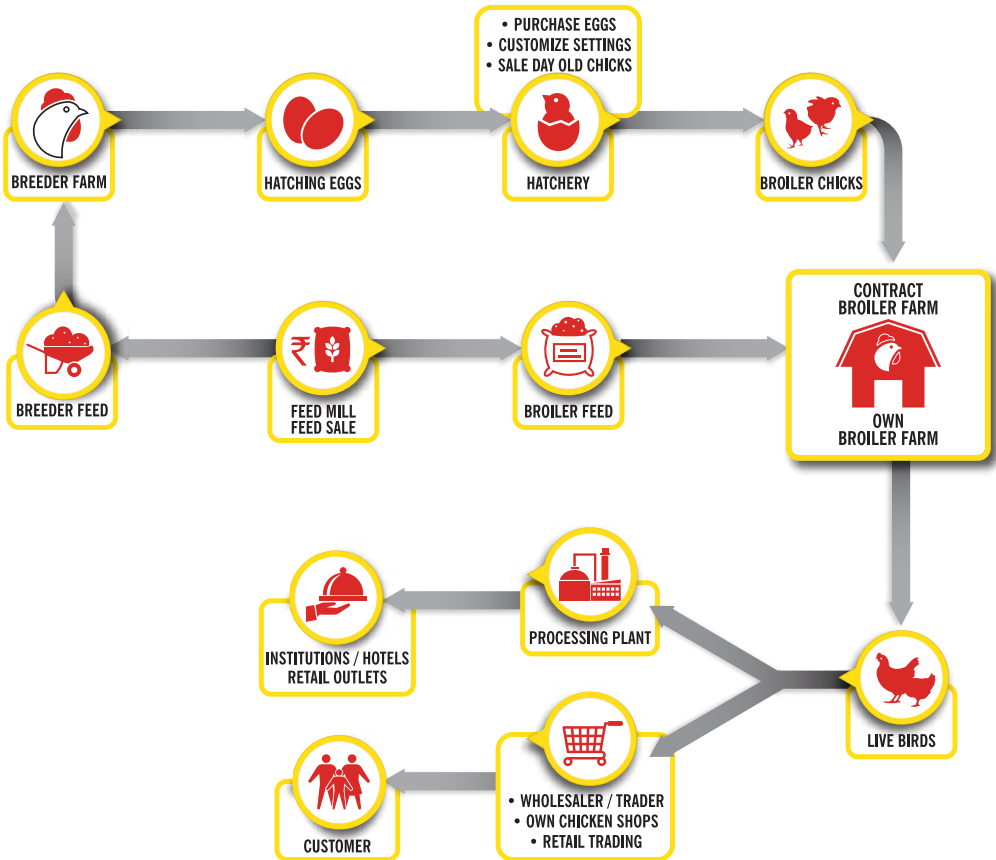

MILESTONE

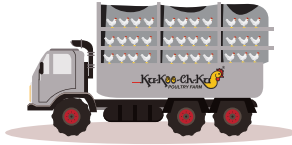

OUR INFRASTRUCTURES

PROCESSING FLOW-CHART

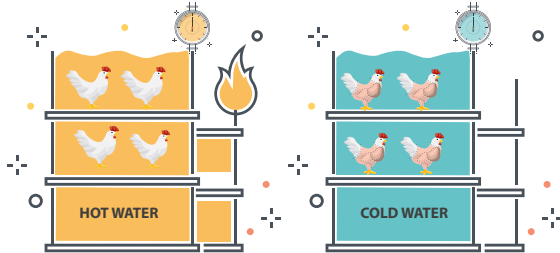

1

We transport broiler birds in plastic cage-boxes through specially modified own vehicle from our farm for damageless/injuredless birds.

2

We follow "Halal" as it is most scientific and also religious method for cutting the birds.

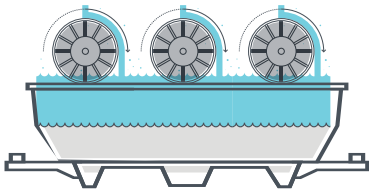

3

We dip the birds in proper temperature of hot water, maintained with solar system for scalding. It also reduce the bacterial load.

Our coldstorage is equipped and maintained by well known company viz 'Blue Star'. We maintain - 20°C temperature in our coldstorage.

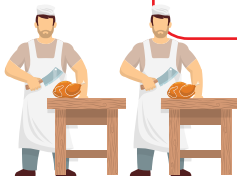

All processing equipments including screw chiller are of stainless still 304 standards.
